ORDER DENYING MOTION FOR RECONSIDERATION

The Union's motion for reconsideration of the Board's Decision and Order reported at 364 NLRB No. 44 (2016) is denied. The Union has not identified any material error or demonstrated extraordinary circumstances warranting reconsideration under Section 102.48(d)(1) of the Board's Rules and Regulations.<sup>1</sup>

Dated, Washington, D.C., August 22, 2016.

<sup>1</sup> We have considered the additional remedies proposed by the Union in its exceptions and motion for reconsideration. There has been no showing that the Board's traditional remedies will not sufficiently ameliorate the effects of the violations committed by the Respondent. Accordingly, we decline to modify the Order and notice or to impose the additional remedies requested by the Union.

Member Miscimarra adheres to the views expressed in his partial dissent. He agrees that the Union has not made a showing that the Board's traditional remedies are insufficient to ameliorate the effects of the violations that he joined in finding.
